

不再陌生

只要用愛心，獻每一分
世間充滿快樂人
原是與你，共同進退
彼此增添溫暖感

With your loving hearts, lift up my soul
Make the world sing joyful songs
Jesus my Lord, I'll follow you
Draw us closer to your throne

只要在我心，從來不分
貧賤，貴族過路人，惟願世界
熱情滿載，無限祝福心裏印

Deep down in my heart,
sing unto you.

We are all one in the Lord
I lift my voice to worship you
Endless blessings come to me

輕輕一聲親切慰問
談談願望, 近況, 將來
不需要介意, 交出這份愛
同行沒法再陌生

Let there be love shared among us
And I long to know you more
You calm my fears and dry my tears
Walking closely in your truth

只要待你真, 謠言不侵,
彼此開心笑面迎,
隨着節奏, 盡情去唱,
無限祝福溫暖, 歌聲中播送

Change my life O Lord, become like you
Join our hearts in unity
The King of Kings, and Lord of Lords
You're the King of Glory
I live to praise your name

最好的福氣

The Most Wonderful Blessing

最好的福氣

願我的心讚頌我的主
願唱出讚美感恩的話語
在你恩典中，幾多的好處
清早到晚上也未停住

My heart is willing to praise the Lord
Sing praises with my thankful heart
In your grace, I can't stop counting your
blessings day and night

藏在你帳幕的隱密處
渴想一心盡力愛主

Hidden in the secret place of my heart
longing to love the Lord

也許一生多困苦
被世間撇棄恨惡
但你總看顧，樂意攙扶
愁悶慨嘆變作歡呼

Perhaps my life is full of hardship
But you always look after me
Turned gloomy lament into cheers

人海中多昏暗迷糊
但我的心始終堅固
投靠你，便覺恩典豐富

More confused in the dark sea
but my heart has always been strong
Seek refuge with you
enjoy your abundant grace
