5 我願意你們都說方言，更願意你們作先知講道，因為說方言的，若不翻出來，使教會被造就，那作先知講道的，就比他強了。

BUILDING UP THE BODY OF CHRIST

The background of the image shows the silhouettes of several construction workers on a building site. They are wearing hard hats and holding blueprints. The scene is set against a bright, orange and yellow sunset sky. The workers are positioned across the middle ground, with some standing and others appearing to be in motion. The overall mood is one of active construction and teamwork.

26 弟兄們,這卻怎麼樣呢? 你們聚會的時候,各人或有詩歌,或有教訓,或有啟示,或有方言,或有繙出來的話,凡事都當造就人。
